We believe in creating a **positive** and **caring** environment which promotes high **expectations** of all children. Our ethos is to embrace the **culture** and **character** of the Melton village community while preparing the children for a world beyond.

# Melton Primary School

**Welcome to our school. Thank you for visiting to find out more.**

# OUR WHOLE-SCHOOL APPROACH

Underpinning our approach is the development of four characteristics: **perseverance**, **responsibility**, **courage**, and **refelction**.

**"We believe that children learn best by having access to a wide range of experiences."**

Nick Wellington (Chair of Governors)

## YOUR CHILD AS AN INDIVIDUAL

We get to know all our pupils so that we can **nurture** and **challenge** each and every one of them, helping all children to **achieve** their potential.

## OUR RELATIONSHIP WITH YOU

Our relationship with you as parents and carers is key to the development of your child during their time with us and we endeavour to develop **positive relationships**, supporting families and children throughout.

## A RANGE OF OPPORTUNITIES AND EXPERIENCES

We have designed a **curriculum** for the children of Melton. We foster an **appreciation** of the historical and geographical characteristics of the locality while preparing the children for life in the **wider world.** We ensure the curriculum is **broad and balanced**, with children attaining a depth of **knowledge** and **skills**.

"OUTDOOR LEARNING IS FUNDAMENTAL TO A CHILD'S DEVELOPMENT AND IS ACTIVELY ENCOURAGED AT MELTON PRIMARY SCHOOL."

Alun Davies (Headteacher)

## OUTDOOR LEARNING

We have invested in our outdoor area to create an environment that enables the children to be **active learners**. The children go outside in all weathers where we provide them with open-ended activities to develop everything from their **physical** and **social skills** to their **language** and **imagination**.

# OUR EARLY YEARS TEACHING TEAM

Our **friendly** and **supportive** team of Early Years staff do an excellent job of transitioning children to school life.

**Communication** with parents is aided by the use of Seesaw (a digital platform) which is used to communicate and celebrate achievements at home and at school.

Paper-based learning journals provide a detailed record of your child's **learning** and are shared regularly with parents, creating a treasured reminder of their first year in school.

**"We endeavor to make learning a real experience. "**

Hannah Grant (EYFS Teacher)

# OUR EARLY YEARS CURRICULUM

Our Early Years team are experienced in providing a range of **adventurous** and exciting activities to stimulate **creativity**, encourage risk-management and risk-taking and provide an environment for **growth**. Children experience a range of child-led and adult-led activities with **skills** and **knowledge** being cultivated through practical activities, stories, songs and discussions.

We are an Early Adopter School for the new Early Years Foundation Stage curriculum, ensuring our children are receiving the best possible curriculum for their **development**.
