

## Colour Hunt

Use this chart (or make your own) to record your observations made on your colour hunt. You could go on a hunt around your house, in your garden or whilst on a walk with a family member!

Colour	Tally Mark Keep count of how many times you see the colour.	Where? Record some of the places where you saw this colour.	What? Record the name of objects or things you saw with this colour.
