

We will be using Seesaw for home learning. This is **separate to parent's accounts** and **allows the children** to post to their journal, respond to activities, and view class announcements.

Students do not see the work of any other student in the class.

*By doing this it will **allow me to comment and feedback** on any of the children's work they have completed at home and support them.*

Some children have done this already and it is really nice seeing their work and talking to them!

Miss Jones. 😊
