

# Daily Phonics Plan

1. Go through speed sound chart
2. Say rhymes for each of the set 3 sounds
3. Sound out and blend words (green and nonsense).
4. Read speedy red words.
5. Watch 'Mr Thorne does phonics' on YouTube for the sound of the day.
6. Write the green and red words in your work book (adult to say the word out loud and child to write it out without looking)
7. Adult to dictate the sentence and child to write it down, without help! Then the adult can show their child the sentence and support them with making improvements.
