Topic

Why not celebrate VE Day with the rest of Europe on Friday 8th May? All of these topic tasks will help work towards your very own private party! Don't forget to send in your pictures so that we can include them in our school newspaper.

Design a VE Day Medal

- This medal celebrated the end of the First World War and was given to soldiers who had fought. It was a symbol of great pride but its design was also highly symbolic.

Your task is to design and/or create a medal for British soldiers who served in the Second World War that is just as symbolic and creative. Your medal can be any shape or size but you must have considered the metal and ribbon choices.

You must include:

- the years of the war (1939-45)
- the colours of the Allies
- a symbol to signify the war and the soldier's sacrifice and victory
- annotations to explain your choices.

Poppy Crafts

- Make your own poppy crafts using the ideas from this website: <https://laughingkidslearn.com/11-poppy-crafts-for-kids/>
Don't forget to upload photos for our VE Day school newspaper!

Great British Bunting!

- Most VE Day 75 events and street parties have had to be cancelled or postponed but we still want you to be able to mark the occasion, share your pride in our country and honour the men and women of WWII. The BBC's Make a Difference campaign has asked people to show off the bunting they create for VE Day and provided a template and instructions for people to get started. You can decorate your bunting

with pictures of whatever inspires you, whether it's those who fought on the frontline or worked hard on the Homefront, or whether it's a celebration of enduring peace or your own personal hero. Hang your bunting with pride over the weekend of Friday 8 May - Sunday 10 May and make sure you share your pictures with us!
