

Penguins Home Learning - 08.06.2020 - suggested timetable:

Well it looks like that is our summer done. It's not just the weather that has changed. This week sees the return to school for year 6 and Robins class; joining year 1 who started back on Wednesday. This means that I will be in school every day, so apologies in advanced if I cannot respond to you on seesaw as quickly.

I will be posted a much longer video reading of Wonder this week, as our class iPad was in school last week, so I was unable to upload the video.

Well done to those who have sent pictures of work that you have been doing at home. It is lovely to see how hard some of you are still working, and also seeing the different projects you are working on at home.

Please do continue to send in pictures and videos to seesaw.

Mr A

Time	Monday	TUESday	Wednesday	THURSDAY	Friday
Before 9:00	Get dressed, breakfast, teeth	Get dressed, breakfast, teeth	Get dressed, breakfast, teeth	Get dressed, breakfast, teeth	Get dressed, breakfast, teeth
9:00 - 9:30	Joe Wicks P.E. lesson or Cosmic kids yoga https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ Another great activity is the use of 'just dance' on youtube.				
9:30 - 9:50	Corbett maths - daily tasks Complete the activity that matches today's date https://corbettmathsprimary.com/5-a-day/				
9:50 - 10:35	BBC Bitesize lesson 1 - Maths https://www.bbc.co.uk/bitesize/tags/zhqppg8/year-5-lessons/1				
10:35 - 11:00	Drink, fruit snack, seesaw daily message - upload any pictures, photos or videos, or comment on others work. Say hello to your classmates or start a new conversation!				
11:00 - 11:20	David Walliams audio books Listen to the 15-20 minute audio clips. Give each book a rating out of 5 https://www.worldofdavidwalliams.com/elevenses/				
11:20 - 12:05	BBC Bitesize lesson 2 https://www.bbc.co.uk/bitesize/tags/zhqppg8/year-5-lessons/1				
12:05 - 1:05	Lunch , walk, sports activity - try and get an action shot of yourself doing a sport!				
1:05 - 1:35	House chores - try and help keep the house tidy, learn new skills, wash cars, mow the lawn, and clean the windows. Take a picture or video and share it on seesaw.				
1:35 - 2:25	Topic related tasks/ creative tasks/ BBC Bitesize lesson 3 - Choose which of the tasks you'd like to do. There are lots to choose from. https://www.bbc.co.uk/bitesize/tags/zhqppg8/year-5-lessons/1				
2:25 - 3:05	Personal Practical task - You could be working on a D.T. project, practise baking/ cooking meals, learning to dance, practising a musical instrument, working on art skills, learning a new language, doing yoga, making a video diary each day, making a video teaching skills, building lego models, knitting/ sewing,				
3:05 - 3:25	Seesaw daily message - share your day with your classmates, see what everyone else has been up to. Comment on one another's posts. Start a quiz or a debate for everyone to join in!				
3:25 - 4:00	Calm Time Reading - Read a book, or listen to a book on audible: I recommend clicking on 'elementary' or 'tween' for an appropriate book. Listen to a chapter or two each day. https://stories.audible.com/discovery				
4:00 onwards	Relax, play in the garden, communicate with friends and family members, switch off, listen to music.				

Topic Task 1 - Science:

Visit the website below and have a go and creating your own series circuits.

<http://powerup.ukpowernetworks.co.uk/powerup/en/under-11/circuits/circuit-builder/>

Can you:

- Design a circuit that uses 2 bulbs, a motor and switch.
- Design a circuit that uses three buzzers.

What do you notice when:

- You have a circuit with three motors, using a 1.5v battery compared to a 3v battery?
- You have a circuit that uses three buzzers and a 3v battery, compared to a circuit that uses only 1 buzzer with a 3v battery?

Which circuit board can use the most components?

Which circuit board can use the least components?

Which circuit board makes a single motor spin fastest or bulb shine brightest?

Topic Task 2 - Science - reflection art

Last half term we looked at reflection. Now I'd like you to combine the science of reflection along with fun art.

Using a spoon, have a look at your reflection. What do you notice? What if you look in to the other side of the spoon? What has happened? Why do you think your reflection is like this?

Challenge: Can you use your reflection from a spoon to draw a spoon self-portrait?

Creative Task - Music

One of the biggest changes to leisure and entertainment came during the 1960's, especially with music.

Your task is to learn a song from one of the biggest bands of the sixties: The Beatles

Who were The Beatles:

<https://www.youtube.com/watch?v=FZSHsJjsh-Y>

Challenge: Can you learn a Beatles song? Can you learn all the words and sing-a-long to a karaoke version of a song?

Don't worry, you don't have to send a video of yourself singing on Seesaw, however it would be great to see.
