English

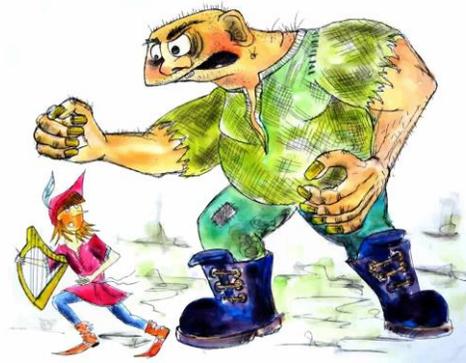

Have a look at Mrs Smith's story map of Jack and the Beanstalk.

This week we are going to create a new story map and you are going to be inventors! That means you are going to invent your own part of the story.

What would you like to change? *You don't have to change them all!*

Location: castle

Character: giant

Character: Jack

Object: beanstalk

Break your reinvented story down into 12 boxes (similar to Mrs Smith's)

Write about what's happening in each box, joining the sentences to create a narrative.
