Knowledge organiser quiz

Last week you were asked to create a game in order to help you recap what you have learnt from your knowledge organiser. Ask a family member to test you on the key vocabulary from the knowledge organiser. Can you remember all the key terms? Give yourself a score at the end, and think about some that you weren't sure of. Use this week to research it in more detail. If you are confident on the key vocab, pick an Egyptian God or Goddess that you can research independently.

Egyptian Gods

For this week, I would like you to pick one of the Egyptian Gods or Goddesses for you to research independently. Write down some facts about this god or goddess before drawing a picture of them in your books. What are they known for? Are they related to any other Gods or Goddesses?

Tree rubbings

Try this fun activity to make your own picture! Using different crayons and some pieces of paper, I would like you to go outside and make some 'rubbings' by finding different objects to lean your paper on and rub your crayon on. Once you have done that, rip the pieces of paper and arrange them to make your own picture. Use the following link to find the instructions and inspiration: https://www.ealt.ca/kids-blog/bark-leaf-rubbings

Egyptian Pharaoh

Your task is to create your own Egyptian Pharoah that looks like YOU! You can either get a photo of yourself, or draw yourself, before using materials from home to create your own headpiece. Try and make it as bold and colourful as you can to show off your wealth! Good luck!
